

2010 AFP Philanthropy Dinner

On November 17, 2010, the Greater Arizona Chapter of Association of Fundraising Professionals paid tribute to several honorees for their service at this year's Philanthropy Awards Dinner held at the Sheraton Phoenix Downtown Hotel. Beginning with a cocktail reception, more than 500 guests enjoyed an evening of dinner and award presentations at the 50th anniversary of AFP International, and the 26th anniversary of the Philanthropy Awards Dinner in Arizona. Spirit of Philanthropy Awards were given on behalf of the nonprofit organizations represented at the event, and awarded to recognize special donors and volunteers for their significant philanthropic contributions. This year's Philanthropy Leadership Awards recognized individuals and organizations that exemplify the highest standards of philanthropic responsibility and generosity.

Phoenix Friends of the Arizona Cancer Center was one of the 2010 Spirit of Philanthropy Award Recipients.
